CIVIL ACTION NO.

CLASS ACTION COMPLAINT

1. In 1991, Congress enacted the Telephone Consumer Protection Act ("TCPA"), 47 U.S.C. § 227, to regulate the explosive growth of the telemarketing industry. In so doing, Congress recognized that "unrestricted telemarketing . . . can be an intrusive invasion of privacy." 47 U.S.C. § 227, Congressional Statement of Findings #5. In enacting the TCPA, Congress outlawed telemarketing via unsolicited facsimile, hereinafter "Junk Faxes." 47 U.S.C. § 227. Plaintiff, Robert W. Mauthe, M.D., P.C. ("Mauthe"), is a private medical practice in Center Valley, Pennsylvania, which has long been inundated with Junk Faxes. Mauthe brings this class action to

challenge Pharmakon Solutions, LLC and Champion Medical Solutions wholesale issuance of Junk Faxes in violation of the TCPA.

THE PARTIES

2. The Plaintiff, Robert W. Mauthe, M.D., P.C., is a private medical practice in Center Valley, Pennsylvania.

3. The Defendant, Pharmakon Solutions, LLC is a limited liability company located in Vista, California. Pharmakon does business in this jurisdiction.

4. Champion Medical Solutions, Inc. is a California corporation, located in Northridge, California. Champion does business in this jurisdiction.

JURISDICTION

5. The District Court has federal question subject matter jurisdiction pursuant to 28 U.S.C. § 1331.

6. Venue is proper in this district under 28 U.S.C. § 1391(b) and (c) because a substantial portion of the facts and circumstances that give rise to the cause of action occurred here, as Defendants sent the challenged Junk Faxes to this District.

THE LEGAL BASIS OF THE CLASS CLAIMS

7. Mauthe's claims, and those of the class it seeks to represent, arise under the TCPA.

8. Among other provisions, the TCPA forbids Junk Faxes – sending unsolicited advertisements for goods and services via facsimile. 47 U.S.C. § 227(b)(1)(C).

9. The TCPA requires that even fax advertisements being sent to those who consented to their receipt, or with whom the advertiser had an established business relationship, must include an Opt Out Notice. 47 U.S.C. § 227(b)(2)(D).

10. Among other things, the Opt Out Notice provision requires the sender to clearly disclose in the body of the fax that recipients may request that the sender stop sending them fax advertisements – and that failure to remove the recipient from the sender's database within thirty days of such a request is itself a violation of the TCPA.

11. Section § 227(b)(3) of the TCPA provides a private right of action:

A person or entity may, if otherwise permitted by the laws or rules of court of a State, bring in an appropriate court of that State, (A) an action based on a violation of this subsection or the

regulations prescribed under this subsection to enjoin such violation, (B) an action to recover for actual monetary loss from such a violation, or to receive \$500 in damages for each violation, whichever is greater, or (C) both such actions.

FACTUAL ALLEGATIONS AS TO THE REPRESENTATIVE PLAINTIFF

12. On or about April 2015 Defendants sent a fax advertisement to Mauthe touting Pharmakon Solutions' drug testing and dispensing services, and Champion Medical Solutions' medical billing services.

13. This fax advertisement is a form document, listing prices for various services and promising "great revenue" to doctors.

14. Mauthe did not consent to receive fax advertisements from Pharmakon or Champion.

15. The form Junk Fax does not contain an Opt Out Notice that complies with the TCPA. In fact it does not contain any opt out notice.

16. Defendants send and continue to send this form Junk Fax to medical offices throughout the United States. A copy of the Junk Fax sent to Mauthe is attached as Exhibit 1.

CLASS ALLEGATIONS

17. Mauthe brings this action under Fed. R. Civ. P. 23.

18. Through the transmission of generic fax advertisements promoting their goods and services, including the Junk Fax it sent to Mauthe, Defendants engaged in wholesale violations of the TCPA.

19. Based on the generic style of the fax advertisement, the standard telemarketing reach of a Junk Fax campaign, and the geographic distance between Mauthe's Pennsylvania office and Defendants' California locations, Defendants have likely transmitted Junk Faxes to thousands of recipients throughout the United States.

20. Defendants did not obtain the consent of Junk Fax recipients prior to sending them.

21. To the extent facsimile advertisements were transmitted by Defendants to those who had given consent, or had an established business relationship with them, of which there is no evidence at this time, the Junk Faxes still violate the TCPA, as they did not contain the Opt Out Notice required by law.

22. The class that Mauthe seeks to represent is composed of all persons or entities within the United States to whom Defendants sent Junk Faxes promoting Defendants' goods or services at any time within four

years prior to the filing of this Complaint through the date of certification in this matter.

23. The class defined above is identifiable by Defendants and their business partners or agents, from the databases used to send the Junk Faxes.

24. There are questions of law and fact common to Mauthe and to the proposed class, including but not limited to the following:

- a. Whether Defendants violated the TCPA by engaging in fax advertising;
- b. Whether the facsimiles sent by Defendants to class members constitute unsolicited advertisements; and
- c. Whether Mauthe and the members of the class are entitled to statutory damages as a result of Defendants' actions.

25. Mauthe's claims are typical of the claims of the class.

26. Mauthe is an adequate representative of the class because his interests do not conflict with those of the class, he will fairly and adequately protect the interests of the class, and is represented by counsel skilled and experienced in class actions.

27. Common questions of law and fact predominate over questions affecting only individual class members and a class action is the superior

method for the fair and efficient adjudication of the controversy. The only individual question concerns identification of class members, which will be ascertainable from records maintained by Defendants and/or their agents.

28. The likelihood that individual members of the class will prosecute separate actions is remote due to the time and expense necessary to conduct such litigation.

29. Mauthe is not aware of any litigation concerning this controversy already commenced by others who meet the criteria for class membership described above.

30. Mauthe is capable of representing the members of the class.

**CAUSES OF ACTION
COUNT I: VIOLATION OF THE TCPA**

31. Defendants caused Junk Faxes promoting their goods and services to be sent to Mauthe and class members, in violation of the TCPA.

32. By sending Junk Faxes to the class, Defendants violated class members' privacy rights.

33. By sending Junk Faxes to the class, Defendants caused class members to sustain property damage and cost in the form of paper and toner.

34. By sending Junk Faxes to the class, Defendants interfered with the class members' use of their property, as class members' facsimile machines were encumbered by the transmission of Defendants' Junk Faxes.

35. Defendants failed to provide the requisite Opt Out Notice on their Junk Faxes, informing the recipients of their right to cease receiving such advertisements and a cost free mechanism to make such request.

36. Failure to provide Opt Out Notice on a facsimile advertisement is a separate and distinct violation of the TCPA.

37. The TCPA provides for statutory damages in the amount of a minimum of \$500 for each separate violation of its terms.

COUNT II: INJUNCTIVE RELIEF

38. The TCPA expressly authorizes injunctive relief to prevent future violations of the Act.

39. Mauthe, on behalf of the class, respectfully petitions the Court to order Defendants to immediately cease engaging in unsolicited facsimile advertising in violation of the TCPA.

PRAYER FOR RELIEF

WHEREFORE, on behalf of itself and members of the class, Mauthe prays for the following relief:

1. That Defendants be enjoined from engaging in future telemarketing in violation of the TCPA;
2. That Defendants, their agents, or anyone acting on their behalf, be enjoined from altering, deleting or destroying any documents or records that could be used to identify the class members;
3. That this Court certify the claims of Mauthe and all others similarly situated as class action claims as provided by Rule 23 of the Federal Rules of Civil Procedure;
4. That Mauthe and the other members of the class action so certified be awarded \$500 for each negligent violation of the TCPA by Defendants and \$1,500 for each willful violation;
5. That the Court enter an appropriate order enjoining Defendants, their agents, or anyone acting on their behalf, from altering, erasing, changing, deleting, destroying or otherwise disposing of any records, including computer disks or computer programs, in their possession or control which can be used to identify all persons,

corporations, or other entities to whom Defendants have transmitted unsolicited facsimile advertisements; and

6. That Mauthe and the members of the class be granted such other and further relief as is just and equitable under the circumstances.

JURY DEMAND

Mauthe requests a jury trial as to all claims of the complaint so triable.

Dated: 8/3/15
